

## LICENSING CONDITIONS FOR LICENCE TO IMPORT AND EXPORT EXPLOSIVES

1. The import of explosives shall be for the supply to any government agency or Statutory Board and licensed company only. Upon import, all consignment shall be immediately delivered to the storage approved by the Licensing Officer.
2. The licensee is not permitted to store any explosives in any unlicensed storage.
3. For any import or export of explosives, the licensee is required to declare the Inward or Outward Declaration showing the correct destination and date through the TradeNet System. Supporting documents including End User Certification, invoices, import / export approval or licence and shipping documents must be submitted to the Licensing Officer.
4. If there is a need to store explosives, they shall be stored at the Free Trade Zone at PSA, Changi Airport or a storage approved by the Licensing Officer, pending delivery or re-export to overseas.
5. When importing or during transshipment, licensee shall ensure that the container security seal is intact upon discharged from the vessel/aircraft.
6. Licensee shall ensure adequate security measures are implemented to ensure the security of container if it is to be temporary stored at Free Trade Zone (FTZ).
7. If armed escort condition is imposed, the licensee shall ensure that consignment is jointly collected with armed Auxiliary Police Officer from the FTZ and a joint inspection is to be conducted to ensure that the security seal is intact.
8. The licensee shall ensure that the consignment is escorted by armed Auxiliary Police Officer and transported via the approved routes.
9. The licensee shall ensure that all inspections, handing over & taking over procedures are properly documented and endorsed by all involved parties.
10. The licensee shall immediately report to Police upon detection of any signs / indications of unauthorised access or loss of any explosives.
11. No explosives shall be imported / exported via parcel post.
12. The licence is issued subject to all the provisions of the Arms and Explosives Act 1913 and of the Rules made there under.
