CP Hoong Wee Teck  
Commissioner of Police

*Dear Commissioner Hoong,*

I thank the Singapore Police Force for organising the State Funeral for founding Prime Minister Mr Lee Kuan Yew in March 2015. The Police did an outstanding job managing the large public turnout, and ensuring tight but not burdensome public order and security for the entire week of national mourning. Your efforts were vital in allowing the nation to come together, in a safe and dignified way, to mourn and remember the life and legacy of Mr Lee.

On 29 March 2015, during the State Funeral Procession, the 21st Battalion, Singapore Artillery fired a 21-gun salute with four ceremonial 25-pounder howitzers for Mr Lee from the Padang.

On behalf of the Government, I would like to present to the Singapore Police Force one of the artillery shell casings from the gun salute, as a token of our deep appreciation.

*Yours sincerely*

*Lee Hsien Loong*
