

## Annex C

### LED Crime Alert Signage

The LED Crime Alert Signage aims to raise crime awareness and deter would-be criminals from committing shop theft. The signage can easily be setup and is able to display eye-catching text in various languages. The text can also be changed instantly through a secured Wi-Fi connection.

Bedok North Neighbourhood Police Centre has worked with various stakeholders within their jurisdiction and has deployed eight signages since September 2016. The locations are:

S/N	Location
1	BLK 209 New Upper Changi Road - Sheng Siong Supermarket
2	BLK 85 Bedok North Street 4 - Hawker Centre
3	311 New Upper Changi Road - Bedok Mall (Play-E)
4	BLK 89 Bedok North Street 4 - MCP Fairmart
5	BLK 206 Bedok North Street 1 - Cash Converters
6	348 Bedok Road - Bedok Shopping Complex (Giant)
7	BLK 88 Bedok North Street 4 - Yee Hong Seng Supermarket
8	BLK 510 Bedok North Street 3 - Melon Supermarket

### Electronic Message Board

The Electronic Message Board (EMB) is portable and lightweight and can be setup easily at the lift lobby. The EMB can be programmed up to eight messages in various languages.

Tampines Neighbourhood Police Centre will be deploying 7 EMBs at the lift lobbies at Tampines Neighbourhood 2.

## Lamp Post Crime Alert Signage

The Lamp Post Crime Alert Signage are less bulky. It can be easily deployed at crime prone locations to create awareness and enhance vigilance of the community within the neighbourhood in response to on-going crime concerns. More than 30 Lamp Post Crime Alert Signage have been deployed at various locations within Bedok Division.
